GARDAGOLF COUNTRY CLUB

GARDAGOLF IS MORE THAN JUST A GOLF COURSE. IT IS A CLUB. IT IS A COMMUNITY. IT IS A PLACE TO EXPERIENCE, TO BELONG TO AND TO CALL YOUR OWN.

Becoming a Member of GardaGolf Country Club means becoming part of a community where golf is only the starting point. A place to share passions, meet people, build relationships and create friendships that extend far beyond the 18 holes.

You come here to play, but also to spend time with your family, meet friends, connect with new people and enjoy special moments in a truly unique environment.

GardaGolf is a place where every Member can find their own space: on the course, in the Club House, at the restaurant, during an event or simply sharing a moment of relaxation with the people who make up our community.

Being part of GardaGolf means having a second home. A place where you feel welcomed, recognised and truly part of something.

Because a great Club is measured not only by the quality of its course, but by the people who bring it to life every day.
